

Phase 1: Problem Definition and Design Thinking

In this part you will need to understand the problem statement and create a document on what have you understood and how will you proceed ahead with solving the problem.

Please think on a design and present in form of a document.

Problem Definition:

[to be explained in detail]

Design Thinking:

[In this part you will need to give all steps how will you proceed ahead with solving the problem.]

NOTE:

File Naming Convention: **AI_Phase1**

After completion upload your file to your private GitHub account. Please give access to your faculty evaluators of your college and industry evaluator [IndustryEvaluator@skillup.online] to your private GitHub repository for evaluation process

Go to the Project Submission Part 1 section and add your college code, the link of your GitHub in the space provided, upload your documents, and click on submit.
